INTRODUCTION

The purpose of this circular is to provide you with information regarding the resolutions to be proposed at the Annual General Meeting for (a) the granting to the Directors the Repurchase Mandate; (b) the granting to the Directors the General Mandate; (c) the extension of the General Mandate by adding to it the aggregate number of the issued Shares repurchased under the Repurchase Mandate; (d) the refreshment of the 10% limit on the grant of options under the Share Option Scheme; and (e) the re-election of Directors.

LETTER FROM THE BOARD

GENERAL MANDATES TO REPURCHASE SECURITIES AND TO ISSUE NEW SECURITIES

General mandate to repurchase shares

At the Annual General Meeting, an ordinary resolution will be proposed to the Shareholders that the Directors be granted the Repurchase Mandate. Under the Repurchase Mandate, the maximum number of Shares that the Company may repurchase shall not exceed 10% of the issued and fully paid up share capital of the Company as at the date of passing of the resolution. The Company's authority is restricted to repurchase Shares of the Company on the market in accordance with the Listing Rules. The mandate allows the Company to make repurchases only during the period ending on the earliest of the date of the next annual general meeting of the Company, the date by which the next annual general meeting of the Company is required to be held by the Articles or any applicable law of the Cayman Islands or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company.

In accordance with the Listing Rules, an explanatory statement is set out in Appendix I of this circular to provide you with requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the proposed ordinary resolution for the grant of the Repurchase Mandate at the Annual General Meeting.

General mandate to issue new shares

At the Annual General Meeting, a resolution will also be proposed to the Shareholders that the Directors be granted the General Mandate in order to ensure flexibility and discretion to the Directors to issue new shares. The General Mandate will represent up to 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the resolution. Based on 7,320,455,450 Shares in issue as at the Latest Practicable Date and assuming no further Shares will be issued or repurchased prior to the date of the Annual General Meeting, the Directors will be authorised to issue 1,464,091,090 Shares pursuant to the new general mandate.

Subject to the passing of the aforesaid ordinary resolutions of the Repurchase Mandate and the General Mandate, an ordinary resolution will also be proposed to the Shareholders to authorise the Directors to issue Shares in an amount not exceeding the aggregate nominal amount of the Shares repurchased by the Company pursuant to the Repurchase Mandate.

REFRESHMENT OF THE 10% LIMIT ON THE GRANT OF OPTIONS UNDER THE SHARE OPTION SCHEME

The Share Option Scheme was adopted by the Company on 31 May 2002. Apart from the Share Option Scheme, the Company has no other share option scheme currently in force.

Under the current limit of the Share Option Scheme, the Directors were authorized to grant options to subscribe for up to 648,975,545 Shares, representing 10% of the issued share capital of the Company as at the date of the annual general meeting of the Company held on 25 May 2009 at which the scheme mandate limit of the Share Option Scheme was refreshed.

LETTER FROM THE BOARD

Since the refreshment of the last scheme mandate limit on 25 May 2009 and up to the Latest Practicable Date, the Company has granted 515,800,000 share options to eligible participants and all 515,800,000 share options remain outstanding. The Company has thus only 133,175,545 share options available to be granted under the Scheme Mandate Limit to eligible participants, representing approximately 1.82% of the 7,320,455,450 Shares in issue as at the Latest Practicable Date.

Details of the options granted under the Share Option Scheme are set out below:

As at 25 May 2009, the date the existing Scheme Mandate Limit was refreshed	Between 25 May 2009 and the Latest Practicable Date				As at the Latest Practicable Date	
Options granted and outstanding	Options granted and outstanding	Options exercised	Options cancelled	Options lapsed	Total number of options outstanding	Approximate percentage of the issued share capital of the Company
473,920,000	515,800,000	(260,700,000)	(28,200,000)	-	700,820,000	9.57

The Share Option Scheme was adopted to recognise and acknowledge the contributions of the Group's employees and other selected grantees made or may have made to the Group. The Share Option Scheme will provide the grantees with an opportunity to have a personal stake in the Company with the view to achieving the objectives of motivating the grantees to optimise their performance efficiency for the benefit of the Company, and to attract and retain or otherwise maintain on-going relationships with the grantees whose contributions are or will be beneficial to the long-term development of the Group.

As the existing Scheme Mandate Limit available to be granted to eligible participants represents only approximately 1.82% of the total number of Shares in issue, the Directors consider that it is in the interest of the Company and the Shareholders as a whole to refresh the Scheme Mandate Limit to 10% as provided under Chapter 17 of the Listing Rules so as to provide the Company with the flexibility of granting further share options under the Share Option Scheme and to provide incentives to, and recognise the contributions of, the Group's employees and other selected grantees.

As at the Latest Practicable Date, there were 7,320,455,450 Shares in issue. Assuming no further issue or repurchase of Shares prior to the Annual General Meeting and upon the refreshment of the general limit under the Share Option Scheme by the Shareholders at the Annual General Meeting, the Company may grant options entitling holders thereof to subscribe for 732,045,545 Shares. No options may be granted if this will result in the number of Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme exceed 30% of the Shares in issue from time to time.

At the Annual General Meeting, an ordinary resolution will be proposed to the Shareholders to refresh the general limit on the grant of options under the Share Option Scheme to 10% of the number of Shares in issue as at the date of approval of such resolution.

LETTER FROM THE BOARD

The proposed refreshment of the Scheme Mandate Limit is conditional upon:

- (i) the Shareholders passing an ordinary resolution to approve the proposed refreshment of the Scheme Mandate Limit at the Annual General Meeting; and
- (ii) the Stock Exchange granting the approval for the listing of, and the permission to deal in, the Shares to be issued pursuant to the exercise of any options that may be granted under the refreshed limit of the Share Option Scheme.

Application will be made to the Stock Exchange for the listing of, and permission to deal in, the new Shares which may be issued upon the exercise of the options to be granted under the refreshed limit of the Share Option Scheme.

RE-ELECTION OF DIRECTORS

Pursuant to Article 116 of the Company's Articles of Association, at each annual general meeting of the Company, one-third of the Directors for the time being or, if their number is not three or a multiple of three, then the number nearest to but not less than one-third, shall retire from office by rotation provided that each Director (including those appointed for a specific term) shall be subject to retirement by rotation at least once every three years at the annual general meeting, provided always that any Director appointed pursuant to Article 119 or Article 122(a) shall not be taken into account in determining the Directors who are to retire by rotation at such meeting. A retiring director shall retain office until the close of the meeting at which he retires, and shall be eligible for re-election thereat.

Pursuant to Article 99 of the Company's Articles of Association, the Board shall have power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy or as an addition to the Board. Any Director so appointed shall hold office only until the next following general meeting of the Company (in the case of filling a casual vacancy) or the next following annual general meeting of the Company (in the case of an addition to their number) and shall then be eligible for re-election at that meeting provided that any Director who so retires shall not be taken into account in determining the number of Directors who are to retire at such meeting by rotation pursuant to Article 116.

Pursuant to Article 116 of the Company's Articles of Association, Mr. Yang Jian, Mr. Yin Da Qing, Richard, Mr Liu Jin Liang and Dr. Zhao Fuquan shall retire by rotation and being eligible, will offer themselves for re-election at the Annual General Meeting.

The biographical details of the Directors proposed to be re-elected are set out in Appendix II to this circular.

LETTER FROM THE BOARD

ANNUAL GENERAL MEETING

A notice convening the Annual General Meeting is set out on pages 14 to 17 of this circular.

A form of proxy for use by the Shareholders at the Annual General Meeting is also enclosed. Whether or not you intend to attend and vote at the Annual General Meeting in person, you are requested to complete the form of proxy in accordance with the instructions printed thereon and return it to the Company's Hong Kong branch share registrar and transfer office, Union Registrars Limited at 18/F., Fook Lee Commercial Centre, Town Place, 33 Lockhart Road, Wanchai, Hong Kong as soon as practicable but in any event not less than 48 hours before the time appointed for holding the Annual General Meeting. Completion and return of the form of proxy will not preclude you from attending and voting in person at the Annual General Meeting should you so wish.

Pursuant to Rule 13.39(4) of the Listing Rules, all votes of the Shareholders to be taken at the Annual General Meeting shall be taken by poll and the voting results of the poll shall be announced by the Company in accordance with the requirements under Rule 13.39(5) of the Listing Rules.

RECOMMENDATION

The Directors consider that the proposed resolutions for granting of the Repurchase Mandate and the General Mandate to the Directors, the proposed refreshment of the 10% limit on the grant of options under the Share Option Scheme and the proposed re-election of Directors are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting.

Yours faithfully,
For and on behalf of
Geely Automobile Holdings Limited
Li Shu Fu
Chairman

This Appendix contains the particulars required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed view on whether to vote for or against the resolution to be proposed at the Annual General Meeting in relation to the Repurchase Mandate.

LISTING RULES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their own shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

(a) Shareholders' approval

All proposed repurchases of shares on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate or by specific approval.

(b) Source of funds

Repurchases of shares must be funded entirely from the company's available cashflow or working capital facilities and will be made out of funds legally available for such purpose in accordance with the company's memorandum and articles of association and the laws of the Cayman Islands.

REASONS FOR SHARES REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to continue to have a general authority from the Shareholders to enable the Directors to repurchase Shares of the Company on the market. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, they believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and its Shareholders as such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value per Share and/or earnings per Share. Shareholders can be assured that the Directors will only make such repurchases in circumstances where they consider them to be in the best interests of the Company and the Shareholders as a whole.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 7,320,455,450 Shares. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the Annual General Meeting, the Company will be allowed to repurchase a maximum of 732,045,545 Shares, being 10% of the issued share capital of the Company, during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in general meeting.

FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum and articles of association of the Company and the laws of the Cayman Islands. It is envisaged that the funds required for any repurchase would be derived from the capital paid up on the Shares being repurchased and from the distributable profits of the Company.

The Directors consider that there might be a material adverse effect on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the most recent published annual report of the Company for the financial year ended 31 December 2009) in the event that the proposed share repurchases were to be carried out in full at any time during the proposed repurchase period. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or gearing level of the Company which in the opinion of the Directors is from time to time appropriate for the Company.

DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective associates has any present intention in the event that the Repurchase Mandate is approved by the Shareholders to sell any Shares to the Company.

No connected person has notified the Company that he/she has a present intention to sell Shares to the Company or its subsidiaries, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

EFFECT OF THE TAKEOVERS CODE

If, on the exercise of the right to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert could, depending on the level of increase of the shareholding interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge of the Company, Mr. Li Shu Fu, who is the controlling shareholder of the Company through his interest in Proper Glory Holding Inc. ("Proper Glory") (Note 1) and parties acting in concert with it, is interested in 3,751,159,000 Shares, representing approximately 51.24% of the issued share capital of the Company. In the event that the Directors exercise the Repurchase Mandate in full to repurchase Shares which is proposed to

APPENDIX I EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE

be granted under the Repurchase Mandate, the shareholding interest of Mr. Li Shu Fu, together with parties presumed to be acting in concert with him, in the Company would increase to approximately 56.94%, such an increase will not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchases to be made under the Repurchase Mandate.

Note 1: Proper Glory is a private company incorporated in the British Virgin Islands and is beneficially-owned by Mr. Li Shu Fu and his associate.

SHARE REPURCHASES BY THE COMPANY

No purchase has been made by the Company of its Shares in the six months prior to the Latest Practicable Date.
