GENERAL MANDATES TO ISSUE NEW SHARES AND  
REPURCHASE EXISTING SHARES**

**INTRODUCTION**

The purpose of this circular is to provide you with information regarding the proposals relating to (i) the re-election of Directors who are due to be retired at the AGM; (ii) the granting of the Issue of Shares Mandate; (iii) the granting of the Repurchase Mandate; and (iv) the granting of a general mandate to the effect that the total number of Shares of the Company which may be allotted and issued under the Issue of Shares Mandate may be increased by an additional number representing such number of Shares actually repurchased by the Company under the Repurchase Mandate.

## LETTER FROM THE BOARD

### GENERAL MANDATES

At the AGM, separate ordinary resolutions will be proposed to give the Directors a general and unconditional mandate to (i) exercise all powers of the Company to repurchase issued and fully paid Shares on the Stock Exchange up to a maximum of 10% of the aggregate nominal amount of the issued share capital of the Company at the date of the passing of the resolution; and (ii) allot and issue and otherwise deal with Shares not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company at the date of passing of the resolution. Such mandates will expire on the earliest of (a) the date of the next annual general meeting, (b) the date by which the next annual general meeting of the Company is required to be held by law or by its articles of association; or (c) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

Conditional upon the passing of the resolution with respect to the Repurchase Mandate and the Issue of Shares Mandate at the AGM, the aggregate nominal amount of the number of Shares which are repurchased by the Company under the authority granted to the Directors under the Repurchase Mandate shall be added to the aggregate nominal amount of the issued share capital of the Company that may be allotted or agreed conditionally or unconditionally to be allotted by the Directors pursuant to the Issue of Shares Mandate.

Based on 4,115,759,800 Shares in issue as at the Latest Practicable Date, assuming no Shares are repurchased or issued prior to the AGM, the Company would upon the Repurchase Mandate and the Issue of Shares Mandate being approved, be allowed to repurchase up to 411,575,980 Shares and to issue up to 823,151,960 Shares, respectively.

An explanatory statement containing all relevant information relating to the proposed Repurchase Mandate is set out in Appendix I to this circular. The explanatory statement is to provide you with information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution to grant to the Directors the Repurchase Mandate.

### RE-ELECTION OF DIRECTORS

In accordance with Article 87 of the Articles, Mr. Hui Ki Yau and Mr. Kung King Ching, Conrad will retire from directorship by rotation and will be eligible for re-election as executive Directors at the AGM.

Biographical details of the above Directors are set out in Appendix II to this circular.

### RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Group. ### RECOMMENDATION

The Directors consider that the re-election of Directors who are due to be retired at the AGM, the granting of the Repurchase Mandate, the Issue of Shares Mandate and the extension of the Issue of Shares Mandate are in the best interest of the Company and its Shareholders. The Directors therefore recommend the Shareholders to vote in favour of the relevant resolutions to be proposed at the AGM. The Directors will vote in favour of such resolutions in respect of their shareholdings (if any) in the Company.

### GENERAL INFORMATION

The notice of AGM is set out in Appendix III to this circular.

All the resolutions proposed to be approved at the AGM will be taken by poll and an announcement will be made by the Company after the AGM on the results of the AGM.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on the resolutions to be proposed at the AGM.

Whether or not you intend to attend the AGM in person, you are requested to complete and return the accompanying proxy form to the share registrar of the Company, Tricor Tengis Limited, 26th Floor, Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong in accordance with the instructions printed thereon not less than 48 hours before the time appointed for holding the AGM. The return of the proxy form will not preclude you from attending and voting at the AGM in person if you so wish.

Yours faithfully  
By order of the Board  
**Kiu Hung Energy Holdings Limited**  
**Hui Kee Fung**  
*Chairman*

This is an explanatory statement given to all Shareholders, as required by the Listing Rules, to provide requisite information of the Repurchase Mandate.

**(a) Share capital**

Under the Repurchase Mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the aggregate nominal amount of the issued share capital of the Company at the date of the passing of the relevant resolution. The Company authority is restricted to purchases made on the Stock Exchange in accordance with the Listing Rules. As at the Latest Practicable Date, there were in issue an aggregate of 4,115,759,800 Shares. Exercise in full of the Repurchase Mandate, on the basis that no further Shares would be issued or repurchased prior to the date of the AGM, would accordingly result in up to 411,575,980 Shares being repurchased by the Company.

**(b) Reasons for repurchase**

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate will provide the Company with the flexibility to make such repurchase as and when appropriate and is beneficial to the Company. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and its assets and/or its earnings per Share. As compared with the financial position of the Company as at 31 December 2008 (being the date of its latest audited accounts), the Directors consider that there would not be any material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be made in full during the proposed repurchase period. However, the Directors will not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

**(c) Funding of repurchases**

Repurchase of the Shares will be funded out of funds legally available for such purpose in accordance with the memorandum and articles of association of the Company and the applicable laws of the Cayman Islands.

The Company is empowered by its memorandum and articles of association to repurchase its securities. The Cayman Islands law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the profits that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on redemption may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the share premium of the Company. Under the Cayman Islands law, the repurchased securities will remain part of the authorised but unissued share capital.

**(d) Connected persons**

None of the Directors nor, to the best of the knowledge and belief of the Directors having made all reasonable enquiries, any of the associates (as defined in the Listing Rules) of any of the Directors has any present intention, in the event that the proposed Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company.

As at the Latest Practicable Date, no connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she has a present intention to sell Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make repurchases of the Shares.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchase pursuant to the Repurchase Mandate and in accordance with the Listing Rules, the memorandum and articles of association of the Company and any applicable laws of the Cayman Islands.

**(e) Effect of takeovers code and minimum public float**

If as a result of a repurchase of Shares, a shareholder proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Hong Kong Code on Takeovers and Mergers (“Code”). As a result, a shareholder, or a group of shareholders acting in concert (within the meaning under the Code), depending on the level of increase in the shareholder interests, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Code.

So far as is known to any Director or chief executive of the Company, as at the Latest Practicable Date, the persons or companies (other than a Director or chief executive of the Company) who had interests or short positions in the Shares or underlying Shares which would fall to be disclosed to the Company under the provisions of Divisions 2 and 3 of Part XV of the SFO were as follows:
