CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

B. PROPOSED GENERAL MANDATES TO ALLOT AND ISSUE AND REPURCHASE SHARES

At the annual general meeting of the Company held on 1 August 2008, Shareholders passed resolutions granting the Directors general mandates to allot and issue Shares and repurchase Shares in accordance with the GEM Listing Rules. As at the Latest Practicable Date, the general mandate has been utilised as to 100,000,000 Shares in association with the issue of 100,000,000 non-listed warrants of the Company which was announced on 3 July 2009, represents approximately 38.30% of Shares which may be allotted and issued under the general mandate. Unless otherwise renewed, the existing mandates to issue and repurchase Shares will lapse at the conclusion of the forthcoming Annual General Meeting.

In order to ensure flexibility, when it is desirable, to allot and issue additional Shares or to repurchase Shares, the Directors will seek approval from the Shareholders to grant new general mandates to issue and repurchase Shares at the forthcoming Annual General Meeting.

At the Annual General Meeting, ordinary resolutions will be proposed such that the Directors be given (i) an unconditional general mandate to allot, issue and deal with unissued Shares or underlying Shares (other than by way of rights or pursuant to a share option scheme for employees of the Company or Directors and/or any of its subsidiaries or pursuant to any scrip dividend scheme or similar arrangements providing for the allotment and issue of Shares in lieu of whole or part of the dividend on Shares in accordance with the Bye-laws) or make or grant offers, agreements, options and warrants which might require the exercise of such power, of an aggregate nominal amount of up to 20% of the aggregate nominal amount of the issued Shares as at the date of granting of the General Mandate; and (ii) an unconditional general mandate to repurchase Shares on the Stock Exchange, of an aggregate nominal amount of up to 10% of the aggregate nominal amount of the issued Shares as at the date of granting of the Repurchase Mandate.

The General Mandate and the Repurchase Mandate shall continue to be in force during the period from the date of passing of the resolutions for the approval of the General Mandate and the Repurchase Mandate up to (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws or any applicable laws of Bermuda to be held; or (iii) the revocation or variation of the General Mandate or the Repurchase Mandate (as the case may be) by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

As at the Latest Practicable Date, total number of the issued Shares were 1,985,291,759 Shares. Assuming there are no Shares being repurchased or issued before the date of the Annual General Meeting, the maximum number of Shares which may be allotted and issued under the General Mandate to be refreshed at the Annual General Meeting will be 397,058,351 Shares and the maximum number of Shares which may be repurchased under the Repurchase Mandate at the Annual General Meeting will be 198,529,175.

LETTER FROM THE BOARD

C. EXPLANATORY STATEMENT

An explanatory statement containing all relevant information relating to the Repurchase Mandate required to be given pursuant to the GEM Listing Rules, in particular Rule 13.08 of the GEM Listing Rules, is set out in Appendix I to this circular. The insertion of the explanatory statement is to provide you with information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolutions relating to the Repurchase Mandate.

D. DIRECTORS PROPOSED TO BE RE-ELECTED

In accordance with the Bye-law of the Company and the Appendix 15 of the GEM Listing Rules, Chan Francis Ping Kuen, Chan Hin Wing, James, and Yuan Shengjun will retire and, being eligible, offer themselves for re-election at the Annual General Meeting. Details of the Directors proposed to be re-elected are set out in Appendix II to this circular.

E. PROPOSED REFRESHMENT OF SHARE OPTION SCHEME MANDATE LIMIT

The Company adopted the Share Option Scheme by way of written resolution of the Shareholders on 18 October 2001. Under the rules of the Share Option Scheme:

- (i) the number of Shares subject to Options that may be granted shall not exceed 10% of the Shares in issue as at the date of approval of the Share Option Scheme;
- (ii) the Company may seek Shareholders' approval to refresh the Scheme Mandate Limit. However, the Scheme Mandate Limit as refreshed shall not exceed 10% of the Shares in issue as at the date of the aforesaid Shareholders' approval. Options previously granted under the Share Option Scheme and other share option schemes (including those outstanding, cancelled, lapsed in accordance with the Share Option Scheme or exercised Options) will not be counted for the purpose of calculating the Scheme Mandate Limit as refreshed. A circular must be sent to Shareholders in connection with the meeting at which their approval will be sought;
- (iii) the Company may seek separate approval from the Shareholders in general meeting to grant Options beyond the Scheme Mandate Limit to participants specifically identified by the Company before the aforesaid Shareholders' meeting where such approval is sought; and
- (iv) the overall limit on the number of Shares which may be issued upon the exercise of all outstanding Options granted and yet to be exercised under the Share Option Scheme and any other option scheme of the Company must not in aggregate exceed 30% of the total number of Shares in issue from time to time.

LETTER FROM THE BOARD

Under existing Scheme Mandate Limit, the Directors are authorised to grant Options to subscribe for up to 130,531,292 Shares under the Share Option Scheme. Out of the said Scheme Mandate Limit, 70,000,000 Options entitling holders thereof to subscribe for 70,000,000 Shares have been granted, leaving approximately 46.37% un-utilised. As at the Latest Practicable Date, there were 164,560,000 Options granted.

The Directors consider that the refreshment of the Scheme Mandate Limit will allow the Company to have more flexibility to provide incentives to Participants by way of granting Options to them. If the refreshment of the existing Scheme Mandate Limit was approved at the Annual General Meeting, based on 1,985,291,759 Shares in issue as at the Latest Practicable Date and assuming no further Shares are issued and/or repurchased after the Latest Practicable Date and up to the date of the Annual General Meeting, the existing Scheme Mandate Limit will be refreshed allowing the Directors to grant Options up to a total of 198,529,175 Shares, representing 10% of the issued share capital of the Company as at the date of the Annual General Meeting.

The proposed refreshment of the Scheme Mandate Limit will be conditional upon the GEM Listing Committee of the Stock Exchange granting the listing of, and the permission to deal in, such number of Shares, representing 10% of the Shares in issue as at the date of the Annual General Meeting, which may fall to be allotted and issued pursuant to the exercise of Options granted under the refreshed Scheme Mandate Limit.

An ordinary resolution will be proposed at the Annual General Meeting to refresh the Scheme Mandate Limit so that the total number of Shares which may be issued upon exercise of all Options to be granted under Share Option Scheme and any other scheme(s) of the Company should not exceed 10% of the Shares in issue as at the date of passing of the resolution refreshing the existing Scheme Mandate Limit.

F. PROPOSED SHARE PREMIUM REDUCTION

The Board announced on 15 July 2009 that the Company proposes to effect the Share Premium Reduction. Based on the audited accounts of the Company as at 31 March 2009, the amount standing to the credit of the Share Premium Account and accumulated losses of the Company amounted to HK\$181,040,582 and HK\$41,931,141 respectively.

Pursuant to the Share Premium Reduction, it is proposed that the entire amount standing to the Share Premium Account as at 31 March 2009 be cancelled, with part of the credit arising therefrom to be applied towards elimination of accumulated losses of the Company as at 31 March 2009 and the remaining balance in the amount of HK\$139,109,441 to be credited to the contributed surplus account of the Company. Upon the Share Premium Reduction becoming effective, all the accumulated losses of the Company as at 31 March 2009 will be eliminated.

Under Bermuda law, the contributed surplus is a distributable reserve and the Company may apply the contributed surplus in any manner not prohibited by the Companies Act of Bermuda and the Bye-laws.

LETTER FROM THE BOARD

The Board also proposes to put forward to the Shareholders to approve the Authorisation, i.e. to authorise Directors to apply the entire amount standing to the credit of the contributed surplus account of the Company in such manner as they consider appropriate, including but not limited to setting off the accumulated losses of the Company from time to time.

The Share Premium Reduction does not involve any reduction in the authorized or issued share capital of the Company nor does it involve any reduction in the nominal value of the Shares or the trading arrangements concerning the Shares.

Reasons for the Share Premium Reduction

The Board believes that the Share Premium Reduction is beneficial to the Company and the Shareholders as a whole as part of the credit arising therefrom will be applied towards elimination of all the accumulated losses of the Company and the remaining will be credited to the contributed surplus account of the Company which will enable the Company to make distribution to the Shareholders at an earlier opportunity in the future.

Effect of the Share Premium Reduction

Implementation of the Share Premium Reduction will not, in itself, affect the underlying assets, liabilities, business operations, management or financial position of the Company, other than related expenses incurred which are immaterial.

Conditions of the Share Premium Reduction

The Share Premium Reduction is conditional upon, inter alia, the following being fulfilled:

1. the passing by the Shareholders of the necessary resolution(s) to approve the Share Premium Reduction and the Authorisation;
2. compliance with Section 46(2) of the Companies Act 1981 of Bermuda, including publication of a notice of the Share Premium Reduction in an appointed newspaper in Bermuda on a date not more than thirty days and not less than fifteen days before the Effective Date; and
3. on the Effective Date, there is no reasonable grounds for believing that the Company is, or after the Share Premium Reduction would be, unable to pay its liabilities as may become due.

Expected effective date of the Share Premium Reduction

Assuming all the above conditions are fulfilled, it is expected that the Share Premium Reduction will become effective on the next business day immediately following the date of passing the relevant special resolution approving the Share Premium Reduction and the Authorisation.

LETTER FROM THE BOARD

H. PROCEDURES FOR DEMANDING A POLL AT GENERAL MEETING

Pursuant to Bye-law 66 of the Bye-laws, at any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is demanded:

- (v) if required by the rules of the Designated Stock Exchange (as defined in the Bye-laws), by any Director or Directors who, individually or collectively, hold proxies in respect of shares representing five per cent. (5%) or more of the total voting rights at such meeting.

LETTER FROM THE BOARD

I. SHAREHOLDERS ABSTAIN FROM VOTING

There is no Shareholder that is materially interested in the proposed resolutions and therefore none of the Shareholders will be required to abstain from voting in respect of the proposed resolutions at the Annual General Meeting.

J. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Group. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief (i) the information contained in this circular is accurate and complete in all material respects and not misleading; (ii) there are no other matters the omission of which would make any statement in this circular misleading; and (iii) all opinions expressed in this circular have been arrived at after due and careful consideration and are founded on bases and assumptions that are fair and reasonable.

K. RECOMMENDATION

The Directors believe that all resolutions as set out in the Notice are all in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend that Shareholders to vote in favour of relevant resolutions to be proposed at the Annual General Meeting.

L. FURTHER INFORMATION

Your attention is drawn to the additional information as set out in the appendices to this circular.

Yours faithfully,
By order of the Board
Palmpay China (Holdings) Limited
Chan Francis Ping Kuen
Executive Director

This appendix serves as an explanatory statement, as required pursuant to Rule 13.08 of the GEM Listing Rules, to provide information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the resolution to approve the repurchases of Shares up to a maximum of 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the Repurchase Resolution.

The Repurchase Mandate

The Repurchase Resolution to be proposed at the Annual General Meeting relates to the grant of a general and unconditional mandate to the Directors to repurchase Shares on GEM, provided that the number of Shares which the Company is authorized to purchase on GEM or on another stock exchange recognised for this purpose by the SFC and the Stock Exchange, may not exceed 10% of the issued share capital of the Company and the total number of warrants to subscribe for or purchase Shares (or other relevant class of securities) authorized to be so purchased may not exceed 10% of the warrants of the company (or such other relevant class of securities, as the case may be), in each case as at the date of the resolution granting the Repurchase Resolution.

The Repurchase Mandate will continue to be in force until the conclusion of the next annual general meeting of the Company or the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws or any applicable laws of Bermuda to be held or the Repurchase Mandate is revoked or varied by an ordinary resolution passed in a general meeting by the Shareholders, whichever is the earliest.

Reasons for Share Repurchase

Although the Directors have no present intention of repurchasing any Shares, they believe that the flexibility afforded by the Repurchase Mandate would be beneficial to the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the relevant time, lead to an enhancement of the net asset value of the Company and/or earnings per Share.

Share Capital

As at the Latest Practicable Date, the Company has in issue an aggregate of 1,985,291,759 Shares which are fully paid.

Subject to the passing of the resolution in relation to the Repurchase Mandate and on the basis that there are no Shares being issued and/or repurchased by the Company prior to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase Shares of up to a maximum of 198,529,175 Shares equivalent to 10% of the issued share capital of the Company. The Shares repurchased by the Company shall, subject to applicable laws, be automatically cancelled upon such repurchase.

Funding of Repurchases

In repurchasing Shares, the Company may only apply its internal resources legally available for such purpose in accordance with the memorandum of association of the Company, the Bye-laws, the GEM Listing Rules and the applicable laws and regulations of Bermuda.

The Company may not repurchase its own Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts for the year ended 31 March 2009) in the event that the proposed repurchases pursuant to the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then prevailing.

Share Prices

The highest and lowest prices at which Shares have been traded on GEM during each of the previous twelve months preceding the Latest Practicable Date are as follows:

	Shares

Shares Repurchases made by the Company

The Company has not repurchased its own Shares (whether on GEM or otherwise) in the previous six months prior to the Latest Practicable Date.

Directors' Undertaking

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to repurchase Shares under the Repurchase Mandate in accordance with the GEM Listing Rules and the laws of Bermuda and in accordance with the regulations set out in the Bye-laws.

Effect of the Takeovers Code

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date and to the best of the knowledge and belief of the Directors, the following persons had interests in the Shares representing 10% or more of the voting power at any general meeting of the Company:
