The subscription rights attaching to the Warrants can be exercised at any time during a period of 24 months commencing from the date of the issue of the Warrants.

The new Shares, when fully paid and allotted, will rank pari passu in all respects with the then Shares in issue on the date of allotment and issue of the relevant new Shares.

Immediately upon the exercise of the subscription rights attaching to the Warrants, it is expected that none of the Placees will become a substantial Shareholder.

It is expected that the Placing Shares will be placed to not less than six independent placees who, to the best knowledge and belief of the Directors, are not connected persons of the Company and are independent of, and not acting in concert with, the substantial shareholders of the Company and their respective concert parties.

Issue Price and Subscription Price

The Issue Price is HK\$0.01 per Warrant payable in cash. The aggregate amount receivable from the Issue Price will be HK\$4,200,000.

The Subscription Price is HK\$0.16 per Share, subject to adjustment based on the prescribed formulas as set out in the Instrument creating the Warrants for the happening of the following normal adjustment events:

- (i) an alteration of the nominal amount of the Shares by reason of any consolidation or subdivision;
- (ii) an issue (other than in lieu of a cash dividend) by the Company of Shares credited as fully paid by way of capitalisation of profits or reserves (including any share premium account or capital redemption reserve fund);

- (vi) an issue wholly for cash being made by the Company or any other company of securities convertible into or exchangeable for or carrying rights of subscription for new Shares, if in any case the total effective consideration per new Share is less than 80% of the market price of the

Shares on the date of the announcement of the terms of issue of such securities (whether or not such issue is subject to the approval of the Shareholders), or the terms of any such issue being altered so that the said total effective consideration is less than 80% of such market price;

- (vii) an issue being made by the Company wholly for cash of Shares (other than pursuant to a share incentive scheme) at a price less than 80% of the market price of the Shares on the date of the announcement of the issue (whether or not such issue is subject to the approval of the Shareholders); and
- (viii) a cancellation of any Shares repurchased by the Company (other than on the Stock Exchange or any stock exchange recognised for such purpose) in circumstances where the Directors consider that it may be appropriate to make an adjustment to the Subscription Price.

Every adjustment to the Subscription Price shall be certified by the auditors of the Company or an approved merchant bank. Save as disclosed above, there are no other events which may result in mandatory adjustment to the Subscription Price. As at the date of this announcement, the maximum number of Shares that may fall to be allotted and issued upon the exercise of the Warrants will not exceed 420,000,000 Shares.

The Subscription Price (i) represents a discount of approximately 15.79% to the closing price per Share of HK\$0.19 as quoted on the Stock Exchange on the Last Trading Day; (ii) represents a discount of approximately 13.98% to the average closing price per Share of HK\$0.186 as quoted on the Stock Exchange for the five consecutive trading days prior to the Last Trading Day; and (iii) represents a discount of approximately 14.21% to the average closing price per Share of HK\$0.1865 as quoted on the Stock Exchange for the ten consecutive trading days prior to the Last Trading Day.

The aggregate of the Issue Price and the Subscription Price represents (i) a discount of approximately 10.53% to the closing price of HK\$0.19 per Share as quoted on the Stock Exchange on the Last Trading Day; (ii) a discount of approximately 8.60% to the average closing price per Share of HK\$0.186 as quoted on the Stock Exchange for the five consecutive trading days prior to the Last Trading Day; and (iii) a discount of approximately 8.85% to the average closing price per Share of HK\$0.1865 as quoted on the Stock Exchange for the ten consecutive trading days prior to the Last Trading Day.

The Board considers that the Subscription Price with the Issue Price, taking into account the recent trading prices of the Shares and an exercise period of 24 months, are fair and reasonable, which are determined after arm's length negotiations between the Company and the Placing Agent, and are in the interests of the Company and the Shareholders as a whole.

Transferability

The Warrants are transferable in integral multiples of 10,000 Warrants subject to the consent of the Company whose consent shall not be unreasonably refused or withheld. Any transfer of the Warrants to any connected person (as defined in the Listing Rules) of the Company shall be subject to the requirements that the Stock Exchange may impose from time to time.

Conditions of the Placing

Placing Completion shall be subject to and conditional upon the following:

- (a) (if required) the Listing Committee of the Stock Exchange granting approval of the issue of the Warrants; and
- (b) the Listing Committee of the Stock Exchange granting approval of the listing of, and permission to deal in, all the Shares falling to be issued on the exercise of the subscription rights to be attached to the Warrants either unconditionally or subject to conditions to which the Placing Agent accept and the satisfaction of such conditions (if any).

If the above conditions are not fulfilled on or before 5:00 p.m. on 27 March 2013 (or such later time or date as may be agreed between the Company and the Placing Agent), the Placing Agreement shall terminate and neither party shall have any claim against the other in respect of any matter or thing arising out of or in connection with the Placing Agreement save for any antecedent breach of any obligation under the Placing Agreement.

Placing Completion

Placing Completion will take place on the third Business Day immediately after fulfillment of the conditions referred to in the paragraph headed "Conditions of the Placing" above.

Rights for the holders of the Warrants

The holders of the Warrants will not have any right to attend or vote at any meeting of the Company by virtue of them being the holders of the Warrants. The holder of the Warrants shall not have the right to participate in any distribution and/or offers of further securities made by the Company.

If an effective resolution is passed during the subscription period for the voluntary winding up of the Company and if such winding up is for the purpose of reconstruction or amalgamation pursuant to a scheme of arrangement to which the holders of the Warrants, or some person designated by them for such purpose, will be a party or in conjunction with which a proposal is made to such holders and is approved by special resolution passed by the holders of the Warrants, the terms of such scheme of arrangement or (as the case may be) proposal will be binding on all the holders of the Warrants.

In the event a notice is given by the Company to its shareholders to convene a shareholders' meeting for the purpose of considering and, if thought fit, approving a resolution to voluntarily wind-up the Company during the subscription period, the Company shall give notice thereof to each holder of the Warrants and, thereupon every such holder shall be entitled to, by irrevocable surrender of his Warrant certificate(s) to the Company, together with payment of the exercise moneys, exercise the subscription rights represented by such Warrant certificate to the extent specified by such holder of the Warrants and the Company shall as soon as possible and in any event no later than the day immediately prior to the date of the proposed shareholders' meeting allot such number of Shares to such holder of the Warrants.

Mandate to issue Shares

The General Mandate was granted to the Directors pursuant to an ordinary resolution of the Company passed at the annual general meeting on 28 June 2012 to allot and issue up to 20% of the aggregate nominal amount of the share capital of the Company in issue on that date.

The Shares to be allotted and issued upon the exercise in full of the subscription rights attaching to the Warrants will be allotted and issued under the General Mandate and hence such issue of Shares is not subject to the Shareholders' approval. The maximum of 420,000,000 Shares to be allotted and issued upon full exercise of the subscription rights attaching to the Warrants utilises approximately 98.22% of the General Mandate. No part of the General Mandate has been utilised prior to the entering into of the Placing Agreement.

Application for listing

The Company will apply to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Shares which fall to be allotted and issued upon exercise of the subscription rights attaching to the Warrants. No listing of the Warrants will be sought on the Stock Exchange or any other stock exchange.

REASONS FOR THE PLACING AND USE OF PROCEEDS

The Group is principally engaged in the provision of automatic teller machines ("ATM") in the People's Republic of China.

The Board considers that the Placing would be a good opportunity to raise further capital for the Company in that it will not have an immediate dilution effect on the shareholding of the existing Shareholders and gross proceeds of HK\$4,200,000 will be raised immediately upon Placing Completion. If and when the subscription rights attaching to the Warrants are exercised in full, further funds of approximately HK\$67,200,000 will be raised (with a net Subscription Price of approximately HK\$0.157 per Share).

The proceeds arising from the Placing are intended to be used as general working capital and to invest in suitable investment opportunities to be identified by the Company. Other than the proposed investment in a company established in the People's Republic of China which is principally engaged in gardening and landscape construction (details of which are set out in the announcement of the Company dated 4 February 2013), no specific investment project has been identified as at the date of this announcement.

As at the date of the announcement, the Shares to be issued upon the exercise of all Warrants, when aggregated with all other equity securities, which remained to be issued on exercise of all other subscription right, will not exceed 20% of the issued share capital of the Company.
