## CHARACTERISTICS OF GEM

---

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

## LETTER FROM THE BOARD

---

### 2. GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

At the annual general meeting of the Company held on 28 June 2013, the Directors were granted a general mandate to allot, issue and deal with Shares and a general mandate to repurchase Shares on GEM. These mandates will expire at the conclusion of the AGM. At the AGM, among other businesses, resolutions will be proposed to grant the Issue Mandate, the Repurchase Mandate and the Extension Mandate to the Directors.

Each of the Issue Mandate, the Repurchase Mandate and the Extension Mandate will expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; (b) the end of the period within which the next annual general meeting of the Company is required by the Articles or any applicable laws of the Cayman Islands to be held; and (c) when revoked or varied by an ordinary resolution of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

Subject to the passing of the proposed resolution for the grant of the Issue Mandate and on the basis that no Shares are issued or repurchased by the Company during the period between the Latest Practicable Date and the date of the AGM, the Directors will be authorised to issue up to a maximum of 422,807,009 Shares pursuant to the Issue Mandate based on the number of issued Shares of 2,114,035,049 as at the Latest Practicable Date.

Under the GEM Listing Rules, the Company is required to give the Shareholders an explanatory statement containing all information reasonably necessary to enable them to make an informed decision on whether to vote for or against the resolution to grant to the Directors the Repurchase Mandate. The explanatory statement required by the GEM Listing Rules is set out in the Appendix I to this circular.

### 3. REFRESHMENT OF THE GENERAL SCHEME LIMIT

Pursuant to an ordinary resolution passed by the Shareholders at the annual general meeting of the Company held on 29 June 2007, the Existing Share Option Scheme was adopted and the Old Share Option Scheme was terminated.

The purpose of the Existing Share Option Scheme is to motivate and give incentives to the eligible participants as defined in the Existing Share Option Scheme (the “**Eligible Participants**”) for their contribution to the Group. The exercise price of the share option must be the highest of: (i) the closing price of the Shares as stated in the Stock Exchange’s daily quotations sheet on the date of grant, which must be a business day; (ii) the average closing price of the Shares as stated in the Stock Exchange’s daily quotations sheets for the five business days immediately preceding the date of grant; and (iii) the nominal value of the Share.

#### **Old Share Option Scheme**

As the Old Share Option Scheme was terminated, no further options can be granted under the Old Share Option Scheme. As at the Latest Practicable Date, no share options were outstanding under the Old Share Option Scheme.

---

## LETTER FROM THE BOARD

---

Apart from the Existing Share Option Scheme, the Company has no other share option scheme in place.

### **Existing Share Option Scheme**

Pursuant to the Existing Share Option Scheme, the total number of Shares which may be allotted and issued upon exercise of all share options to be granted by the Company under the Existing Share Option Scheme and any other share option scheme of the Group must not in aggregate exceed 10% of the Shares in issue as at the date of approval of the Existing Share Option Scheme or as at the date of approving the refreshment of General Scheme Limit if so refreshed. Share options (including those outstanding, cancelled, lapsed or exercised in accordance with the terms of the Existing Share Option Scheme) previously granted shall not be counted for the purpose of calculating the General Scheme Limit. The General Scheme Limit may be refreshed subject to the approval by the Shareholders in general meeting from time to time.

At the annual general meeting of the Company held on 20 April 2010 (the “**2010 AGM**”), the General Scheme Limit was refreshed to allow the Company to grant share options to the Eligible Participants to subscribe for Shares not exceeding 10% of the issued share capital of the Company as at the date of approving the refreshment, which amounted to 418,505,524 share options. Upon the Share Consolidation becoming effective, the General Scheme Limit has been adjusted to 83,701,104 adjusted share options.

Since the 2010 AGM, the Company had granted a total of 83,700,000 adjusted share options to certain consultants, employees and a Director to allow themselves to subscribe for 83,700,000 Shares in aggregate, which represented approximately 99.99% of the General Scheme Limit as refreshed at the 2010 AGM. As at the Latest Practicable Date, 3,000,000 adjusted share options granted on 15 February 2011 were lapsed, 27,000,000 adjusted share options granted on 21 May 2013 were exercised and 1,104 adjusted shares options are available for granting.

As more than 50% of the General Scheme Limit as refreshed on 20 April 2010 has been utilised, the Directors are of the view that in order to provide incentives and rewards to the Eligible Participants for their contribution or potential contribution to the Group by granting share options to them, the General Scheme Limit shall be refreshed to provide the Company with greater flexibility on recruiting and retaining high calibre employees and attracting human resources that are valuable to the Group.

As at the Latest Practicable Date, there were 2,114,035,049 Shares in issue. Assuming there is no allotment and issue of Shares and no further grant of share options under the Existing Share Option Scheme, upon approval of the refreshment of the General Scheme Limit by the Shareholders at the AGM, the General Scheme Limit (as refreshed) will allow the Company to grant share options the Eligible Participants thereof to subscribe for Shares not exceeding 10% of the issued share capital of the Company as at the date of approving the refreshment of the General Scheme Limit which are 211,403,504 Shares.

---

## LETTER FROM THE BOARD

---

As at the Latest Practicable Date, there were 82,700,000 adjusted share options outstanding since the adoption of the Existing Share Option Scheme and the option holders were entitled to subscribe for 82,700,000 Shares, representing approximately 3.91% of the issued share capital of the Company. Assuming that the options carrying the right to subscribe for 211,403,504 Shares were granted and fully exercised, the total number of Shares to be issued pursuant to the exercise of share options, together with all outstanding options as at the Latest Practicable Date carrying the right to subscribe for 82,700,000 Shares, is 294,103,504 Shares, representing approximately 13.91% of the total number of Share in issue as at the Latest Practicable Date. Assuming no further Shares are issued and no Shares are repurchased after the Latest Practicable Date and up to the date of the AGM, such percentage falls below the 30% of the Shares in issue.

The refreshment of the General Scheme Limit is conditional upon:

1. the passing of an ordinary resolution by the Shareholders at the AGM to approve, among other things, the refreshment of the General Scheme Limit; and
2. the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, 10% of the Shares in issue at the date of approval of the refreshment of the General Scheme Limit which may be issued pursuant to the exercise of share options to be granted under the Existing Share Option Scheme.

Application will be made to the Listing Committee of the Stock Exchange for the grant of listing of, and permission to deal in, 10% of the Shares in issue at the date of approval of the refreshment of the General Scheme Limit which may be issued pursuant to the exercise of share options to be granted under the Existing Share Option Scheme.

#### **4. RE-ELECTION OF DIRECTORS**

In accordance with article 86(3) of the Articles, Ms. Xuan Hong shall hold office until the AGM. She, being eligible, will offer herself for re-election as Director at the AGM.

In accordance with articles 87(1) and (2) of the Articles, Ms. Wu Wei Hua and Mr. Qi Ji will retire as Directors by rotation and, being eligible, offer themselves for reelection as Directors at the AGM.

Particulars of Ms. Xuan Hong, Ms. Wu Wei Hua and Mr. Qi Ji are set out in Appendix II to this circular.

#### **5. AGM**

The notice of the AGM is set out on pages 14 to 17 of this circular. A form of proxy for use at the AGM is enclosed with this circular.

---

## LETTER FROM THE BOARD

---

At the AGM, resolutions will be proposed to approve, amongst others, the grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate to the Directors, the refreshment of the General Scheme Limit and the re-election of Directors by way of poll. An announcement on the poll results will be published by the Company after the AGM.

Whether or not you are able to attend the AGM in person, you are requested to complete and return the form of proxy in accordance with the instructions printed thereon as soon as possible and in any event not later than 48 hours before the time appointed for holding of the AGM or any adjournment thereof to the Company's Hong Kong branch share registrar and transfer office, Tricor Tengis Limited, at Level 22, Hopewell Centre, 138 Queen's Road East, Hong Kong. Completion and return of the form of proxy will not preclude you from attending and voting at the AGM or any adjournment thereof should you so wish.

### **6. RECOMMENDATION**

The Directors are of the opinion that the grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate, the refreshment of the General Scheme Limit and the re-election of Directors referred to in this circular are in the best interests of the Company and the shareholders as a whole and recommend you to vote in favour of all the resolutions to be proposed at the AGM.

By order of the Board  
**China Netcom Technology Holdings Limited**  
**Ng Kwok Chu, Winfield**  
*Executive Director*

*This Appendix serves as an explanatory statement, as required by rule 13.08 of the GEM Listing Rules, to provide requisite information as to the proposed Repurchase Mandate.*

## **1. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES**

The GEM Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their shares on the Stock Exchange and any other stock exchange on which the securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general repurchase mandate or by specific approval of a particular transaction.

## **2. SHARE CAPITAL**

As at the Latest Practicable Date, there were a total of 2,114,035,049 Shares in issue. Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 211,403,504 Shares.

## **3. REASONS OF THE REPURCHASE**

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase the Shares on the Stock Exchange or any other stock exchange on which the Shares are listed. Share repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

## **4. SOURCE OF FUNDS**

Repurchase made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the memorandum and articles of association of the Company, the Companies Law and other applicable laws of the Cayman Islands. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Law, repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or out of capital on if immediately following the date the payment out of capital is proposed to be made, the Company shall be able to pay its debts as they fall due in the ordinary course of business. Any premium payable on a purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account.

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 December 2013, being the date of its latest published audited consolidated financial statements. However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

## 5. THE TAKEOVERS CODE

If a shareholder's proportionate interest in the voting rights of the company increases on the company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purpose of Rule 32 of the Hong Kong Code on Takeovers and Mergers ("**Takeovers Code**").

As a result, a shareholder or a group of shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and becomes obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. As at the Latest Practicable Date, so far as is known to the Directors, Mr. Leung Ngai Man ("**Mr. Leung**"), an executive Director, being the substantial Shareholder, held 436,629,880 Shares, representing approximately 20.65% of the entire issued share capital of the Company. Assuming that there will be no change in the issued share capital of the Company and Mr. Leung does not dispose of his Shares nor acquire additional Shares prior to any repurchase of Shares and if the Repurchase Mandate was exercised in full, the percentage shareholding of Mr. Leung would be increased to approximately 22.95% of the then issued share capital of the Company. In such circumstances and base on the information known to date, the Directors are not aware of any mandatory offer obligation of Mr. Leung would be triggered under Rule 26 of Takeovers Code as a consequence of any exercise of the Repurchase Mandate.

In the event that any exercise of the Repurchase Mandate would, to the Directors' knowledge, have such a consequence, the Directors would not exercise the Repurchase Mandate to such extent. It is, moreover, not the intention of the Directors to exercise the Repurchase Mandate to such an extent as would, in the circumstances, result in less than 25% of the issued share capital of the Company being held by the public.

**6. SHARE PRICES**

The highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the 12 calendar months immediately preceding the Latest Practicable Date are as follows:

	Price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
<b>2013</b>		
March	0.0730	0.0480
April	0.0600	0.0390
May	0.0670	0.0510
June	0.0660	0.0500
July	0.0750	0.0500
August	0.0900	0.0600
September	0.0900	0.0640
October	0.1100	0.0750
November	0.0970	0.0800
December	0.4950	0.0820
<b>2014</b>		
January	0.4650	0.2400
February	0.3250	0.2250
March (up to the Latest Practicable Date)	0.4950	0.2450

**7. SHARE REPURCHASE MADE BY THE COMPANY**

The Company had not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months immediately preceding the Latest Practicable Date.

**8. UNDERTAKING OF THE DIRECTORS**

The Directors have undertaken to the Stock Exchange that they will only exercise the power of the Company to make repurchase pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules, the Articles and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates, have any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if such is approved by the Shareholders at the AGM and exercised.

No connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he has present intention to sell any Shares to the Company or its subsidiaries nor has any such connected person undertaken not to do so in the event that the Repurchase Mandate is granted.
