名家國際控股有限公司*

(Incorporated in Bermuda with limited liability)

(Stock Code: 8108)

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “GEM”)

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the internet website operated by The Stock Exchange of Hong Kong Limited (the “Stock Exchange”). Listed companies are not generally required to issue paid announcement in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website in order to obtain up-to-date information on GEM listed issuers.

The Stock Exchange takes no responsibility for the contents of this announcement, makes no representation as to its accuracy or completeness and expressly disclaims any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors (the “Director(s)”) of FAVA International Holdings Limited collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the “GEM Listing Rules”) for the purpose of giving information with regard to FAVA International Holdings Limited. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief:– 1. the information contained in this announcement is accurate and complete in all material respects and not misleading; 2. there are no other matters the omission of which would make any statement in this announcement misleading; and 3. all opinions expressed in this announcement have been arrived at after due and careful consideration and are founded on bases and assumptions that are fair and reasonable.

MANAGEMENT DISCUSSION AND ANALYSIS

Overall Financial and Business Review and Future Prospect

For the six months ended 30 June 2007, the Group's turnover amounted to approximately HK\$164,649,000 (six months ended 30 June 2006: approximately HK\$60,648,000) while the net profit attributable to the shareholders amounted to approximately HK\$44,275,000 (six months ended 30 June 2006: net profit of approximately HK\$15,430,000). The improvement in turnover was mainly the result of the acquisition of seven solid wood production lines in February 2007. The production capacity of solid wood furniture has been strengthened further.

Growing recognition of the solid wood furniture in the PRC and continuous growth in overseas orders led to further improvement in sales.

By the end of February 2007, the Group has completed acquisition of 7 solid wood furniture production lines ("Production Lines") of Lang Fang Huari Furniture Joint Stock Co., Ltd* (廊坊華日家具股份有限公司) ("Huari Furniture"), 2 of which were rented under operating lease in 2006. As the 5 new Production Lines were merged into the Group in March 2007, the Group's turnover increased significantly in the second quarter. The management is confident that the business growth of the Group will continue in the second half of the year and the financial results of this year will have substantial improvements over the last year.

In expanding the business, the Group has endeavoured to undergo diversification and on the basis of the existing production of solid wood furniture, the Group aims to develop into a comprehensive enterprise providing a blend of production and retailing services. To expand the retailing business of the Group and leveraged on the experience in successful acquisition of retailing business in April this year (details have been disclosed in the paragraphs headed "Acquisition of Retail Business" below), the Group has taken active actions in exploring business opportunities and is expecting to

undergo large scale acquisition of retailing business in the second half of the year. In actively exploring and undergoing large scale acquisitions of retailing business, the Group will be committed to become an enterprise with comprehensive services. It is expected that the Group's business will be contributed by production and retailing services in equal proportion within 3 years.

In order to further expand the business, the Group also endeavours to develop the PRC market and has actively sought for the opportunities to acquire other brands. Along with the expansion of production capacity of the Group, the Group's target to diversify brands and sales networks will become attainable.

Charge on Group's Assets

Save as the financial lease contract for the Group's office equipment and the Fidelity Funds of approximately HK\$3,000,000 which has been placed in HSBC as security for the banking facility granted by HSBC (details have been disclosed in the paragraph headed "Banking Facilities" above) the Group did not have any other charge on its assets as at 30 June 2007.

Foreign Currency Risk

As most of the Group's monetary assets and liabilities were denominated in Renminbi and Hong Kong dollars, the exchange rate risks of the Group were considered to be minimal. As at 30 June 2007, no related hedges were made by the Group.

Contingent Liabilities

On 2 March 2000, an independent third party executed a Deed of Guarantee in favour of Sun-iOMS Maintenance Limited, a former indirect wholly-owned subsidiary disposed of by the Group on 27 July 2006, guaranteeing that the income accrued to Sun-iOMS Maintenance Limited arising from sales of iOMS Millennium Edition Software for a period of 18 months from the date of the guarantee would not be less than HK\$15,000,000. However, the aforesaid independent third party has not fulfilled his commitment under the Deed of Guarantee. Hence, Sun-iOMS Maintenance Limited and the Company took legal action against the abovementioned independent third party and the two executive directors resigned in 2001 ("Ex-executive Directors") in respect of the breach of the Deed of Guarantee and their fiduciary duties accordingly. As at the date of this announcement, the legal actions against the abovementioned independent third party has been set down for trial and the Company has reached an out of court settlement with the Ex-executive Directors (the "Settlement") on 20 July 2007. In the opinion of the Directors, the financial effect of the Settlement can be ascertained only when the amount to be paid to the Ex-executive Directors, being their legal costs, pursuant to the Settlement is agreed with the Ex-executive Directors. In the opinion of the Company's special legal advisors in respect of the above litigation, as the matter now stands, there is no other damage suffered on the Group's part save as the legal costs to be taxed if not agreed pursuant to the Settlement. In the opinion of the Directors, no provision for the Group's exposure to the above litigation will be made as at 30 June 2007.

Save as disclosed above, the Group and the Company had no other contingent liabilities at the balance sheet date.

Audit Committee

The Company has established an audit committee in July 2000 with its written terms of reference pursuant to Rules 5.28 to 5.33 of the GEM Listing Rules. Approved by the then directors attending the Board meeting held on 7 December 2006, the terms of reference set out in "A Guide for Effective Audit Committees", published by HKICPA in February 2002, were adopted as written terms of reference for the audit committee of the Company. As at 30 June 2007, the audit committee comprised three members, namely Mr. LEE Yuen Kwong, Mr. YANG Dongli and Mr. YANG Jie, being independent non-executive Directors of the Company.

The primary duties of the audit committee are to review and supervise the financial reporting process and internal control systems of the Group and to provide advice and comments to the Board. The audit committee has reviewed the Group's interim results announcements and reports for the six months ended 30 June 2007 and provided advice and recommendations to the Board. After the review of the financial statements, the members of the audit committee were of the opinion that such statements comply with the applicable accounting standards, the GEM Listing Rules and other applicable laws and regulations and that adequate disclosure had been made.

Corporate Governance Practices

Mr. Li Ge ("Mr. Li") assumes the roles of both the chairman and the chief executive officer of the Company. While serving as the chairman of the Group, Mr. Li leads the Board and is responsible for the proceedings and workings of the Board. He ensures that:

- the Board acts in the best interests of the Group; and
- the Board functions effectively, and that all key and appropriate issues are properly briefed to and discussed by the Board.

The Group deviates from Code Provision A.2.1 in the Code on Corporate Governance Practices (the "CG Code") set out in Appendix 15 to the GEM Listing Rules. The roles of chairman and chief executive officer of the Group rests on the same individual without having a clear division of responsibilities. However, the Board is of the view that, such non-compliance does not compromise accountability and independent decision making for the following reasons:

- the three independent non-executive Directors form the majority of the five-member Board;
- the Audit Committee is composed exclusively of independent non-executive Directors; and
- the independent non-executive Directors could have free and direct access to the Company's external auditors and independent professional advice whenever necessary.

Mr. Li has considerable experience in the industry. He is dedicated to contribute to the growth and profitability of the Group. The Board is of the view that it is in the best interests of the Group to have an executive chairman, so that the Board can have the benefit of a chairman who is knowledgeable about the business of the Group and is most capable to guide discussions and brief the Board in a timely manner on pertinent issues and their progress, for the purpose of facilitating open dialogue between the Board and the management.

In order to comply with the CG Code, the Company is now seeking for proper candidate to serve as the chief executive officer of the Company.

Save as disclosed above, for the six months ended 30 June 2007, the Company complied with the and code provisions of the CG Code.

Purchases, Sale or Redemption of the Company's Listed Securities

For the six months ended 30 June 2007, there was no purchase, sale or redemption by the Company, or any of its subsidiaries, of the Company's listed securities.

Competing Interest

None of the Directors or the management shareholders of the Company (as defined in the GEM Listing Rules) or their respective associates had any interest in any business which competed or might compete with the business of the Group for the six months ended 30 June 2007.

Re-election of Directors
