PROPOSED ISSUE OF NOTES

This announcement is made by Sino Haijing Holdings Limited (“**Company**”), together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities (“**Listing Rules**”) on The Stock Exchange of Hong Kong Limited (“**Stock Exchange**”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

PLACING AGREEMENT

The board (“**Board**”) of directors of the Company (“**Directors**”) announces that on 24 July 2014 (after trading hours), the Company as the issuer and Astrum Capital Management Limited as the placing agent (“**Placing Agent**”) entered into a placing agreement (“**Placing Agreement**”) pursuant to which the Placing Agent agreed to act as placing agent of the Company to procure, on a best endeavour basis, placees who (and their respective ultimate beneficial owners, if applicable) are third parties independent of, and not connected with the Company, its connected persons (within the meaning of the Listing Rules) and their respective associates to subscribe for the 7% per annum secured notes (“**Notes**”) to be issued by the Company in an aggregate principal amount of up to HK\$300,000,000 maturing on the third anniversary of the date of the first issue of Notes at the placing price equal to 100% of the principal amount of the Notes (“**Placing**”). The placing period for the Placing shall last for a period of six months commencing on the day immediately following the date of the Placing Agreement. The Notes will constitute direct, unconditional, unsubordinated and secured obligations of the Company and will rank equally and without any preference amongst themselves. The Notes will be secured by an equitable mortgage (the “**Deed of Share Mortgage**”) over all the share capital of Great Prospect Enterprises Limited (the “**BVI**

Subsidiary”), a wholly owned subsidiary of the Company which was incorporated under the laws of the British Virgin Islands. No listing of the Notes will be sought on the Stock Exchange or any other stock exchanges.

To the best of the knowledge and belief of the Directors, the Placing Agent and its ultimate beneficial owners is not a connected person (within the meaning of the Listing Rules) of the Company.

REASONS FOR THE PLACING AND USE OF PROCEEDS

If all the Notes are fully and successfully placed, the gross proceeds from the issuance of the Notes will be HK\$300,000,000 and the net proceeds of the issuance will be approximately HK\$294,000,000 after deduction of the relevant commission and expenses. The Group intends to use the net proceeds of the issuance for developing potential new business should such opportunities arise and for the working capital of the Group.

The Group currently focuses on the production and sale of expanded polystyrene (“**EPS**”) packaging products for household electrical appliances in the PRC. Due to the downturn of the property market in the PRC, coupled with the sluggish US economy, the household electrical appliances industry is facing a downturn and having the problem of overcapacity whereas the EPS packaging industry is also seeing the problem of overcapacity and the fierce competition within the industry. In view of this, the Directors have considered any possibility of diversifying the business of the Group by developing oil related businesses in the PRC which the Central government has repeatedly pledged to relax the entry barriers and encouraged more private capital to enter. Diversifying into oil related business would allow the Group to capture the first-mover advantage of exploring the huge potential of oil business amid the early stage of the oil industry reform and hence also broaden the Group’s revenue base.

As at the date of this announcement, the Company has no concrete plan for the development of any new business. Further announcement(s) will be made by the Company pursuant to the Listing Rules as and when appropriate.

The Directors consider that the Placing represents an opportunity to obtain funding, which could be used to finance any potential investment or business opportunities of the Group that may arise from time to time.

The Board considers the terms of the Placing and the Notes to be fair and reasonable and is of the view that the transactions contemplated by the Placing Agreement and the issuance of the Notes are in the interests of the Company and its shareholders (“Shareholders”) as a whole.

POTENTIAL COVENANT ON MINIMUM SHAREHOLDING IN THE COMPANY

Pursuant to the terms of the Notes to be issued, it will be an event of default if Mr. Chao Pang Fei (“Mr. Chao”), the Company's controlling shareholder, directly and indirectly owns less than 30% of the issued share capital of the Company. Any occurrence of such event of default will give the holders of the Notes the right to demand for repayment of the amount due under the Notes and to enforce the security constituted by the Deed of Share Mortgage. At the date of this announcement, Mr Chao directly and indirectly holds attributable interests of approximately 58.57% in the issued share capital of the Company. The Company will make disclosure pursuant to Rule 13.18 of the Listing Rules upon its entering into the relevant document relating to the Notes which gives effect to such event of default provision.

Shareholders and potential investors should note that under the Placing Agreement, the Placing is undertaken on a best endeavour basis. As the Placing may or may not proceed, Shareholders and potential investors are reminded to exercise caution when dealing in the securities of the Company.
