*To the Shareholders*

Dear Sir or Madam

**(1) PROPOSED ADOPTION OF THE SHARE OPTION SCHEME;  
AND  
(2) NOTICE OF EXTRAORDINARY GENERAL MEETING**

**INTRODUCTION**

At the EGM to be held at Level 5, Hutchison House, 10 Harcourt Road, Central, Hong Kong on Friday, 5 June 2015 at 3:30 p.m. (or immediately after the conclusion or adjournment of the annual general meeting which is to be convened on the same day and at the same place at 2:30 p.m.), resolution will be proposed, among other matters, to adopt the Share Option Scheme.

---

## LETTER FROM THE BOARD

---

The purpose of this circular is to provide you with information in relation to the resolution to be proposed at the EGM for, among other matters, the adoption of the Share Option Scheme, and to give you the notice of the EGM.

### **PROPOSED ADOPTION OF THE SHARE OPTION SCHEME**

The purpose of the Share Option Scheme is to enable the Company to grant Options to selected Eligible Participants as incentives or rewards for their contribution or potential contribution to the Company. The Company had adopted a share option scheme on 6 June 2003 which had been lapsed. Other than the Share Option Scheme, the Company has no other subsisting share option scheme. A summary of the principal terms of the Share Option Scheme is set out in the Appendix to this circular.

Although the rules of the Share Option Scheme provide that the Share Option Scheme is not subject to any performance target and does not prescribe any specific minimum period for which an option must be held before it can be exercised, the Board believes that the ability for the Board to prescribe at its discretion a minimum period for which an Option must be held before it can be exercised and the requirement for a minimum exercise price (which is summarized in paragraph (d) in the Appendix to this circular) of the Share Option Scheme will serve to protect the value of the Shares and encourage Eligible Participants to acquire proprietary interests in the Company which will increase in value in line with the contribution by the Eligible Participants to the Company, so as to achieve the purpose of the Share Option Scheme. No trustee will be appointed under the Share Option Scheme.

The Board considers that it is not appropriate to state the value of all Options that can be granted under the Share Option Scheme as if they had been granted on the Latest Practicable Date as a number of variables which are crucial for the calculation of the option value have not been determined. Such variables include the exercise price, exercise period, vesting period (if any), and other relevant factors (if any). The Board believes that any calculation of the value of any Options which might have been granted as at the Latest Practicable Date would be based on a number of speculative assumptions and therefore not only would such calculation be meaningful or representative, but it could also potentially be misleading to the Shareholders.

None of the Directors is and will be trustee of the Share Option Scheme or has a direct or indirect interest in the trustee. With respect to the operation of the Share Option Scheme, the Company will, where applicable, comply with the relevant requirements under Chapter 17 of the Listing Rules.

A copy of the Share Option Scheme will be available for inspection at the Company's principal place of business in Hong Kong at Room 2412, 24/F, Wing On Centre, 111 Connaught Road Central, Hong Kong for a period of 14 days before the date of the EGM, and at the EGM.

## **LETTER FROM THE BOARD**

---

### **Conditions Precedent of the Share Option Scheme**

The adoption of the Share Option Scheme is conditional upon:

1. the Listing Committee of the Stock Exchange granting the listing of and permission to deal in any Shares which may fall to be issued by the Company pursuant to the exercise of Options in accordance with the terms and conditions of the Share Option Scheme; and
2. the passing of an ordinary resolution to approve the adoption of the Share Option Scheme by the Shareholders at the EGM; and

Assuming that there is no change in the issued share capital of the Company between the period from the Latest Practicable Date and the Adoption Date, the number of Shares that may fall to be allotted and issued upon exercise in full of the Options that may be granted after the resolution authorizing the Directors to allot and issue up to 10% of the then issued share capital of the Company has passed at the EGM would be 24,930,012 Shares should the Share Option Scheme be adopted. The limit on the number of securities which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other schemes must not exceed 30% of the relevant class of securities of the Company in issue from time to time.

Application will be made to the Listing Committee of the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares which may fall to be issued pursuant to the exercise of the Options granted under the Share Option Scheme.

### **ACTION TO BE TAKEN**

Whether or not you intend to attend the EGM, you are requested to complete and return the accompanying form of proxy in accordance with the instructions printed thereon not less than 48 hours before the time appointed for holding the EGM or any adjournment thereof. The completion and return of a form of proxy will not preclude you from attending and voting at the EGM or adjournment thereof in person if you so wish.

### **RECOMMENDATION**

The Directors believe that the proposed adoption of the Share Option Scheme is in the best interests of the Company and the Shareholders as a whole and recommend the Shareholders to vote in favour of the resolution to be proposed at the EGM.

The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

### GENERAL

The Board confirm that to the best of their knowledge, information and belief having made all reasonable enquiries, as at the Latest Practicable Date, there was no voting trust or other agreement or arrangement or understanding (other than an outright sale) entered into by or binding upon any Shareholder and there was no obligation or entitlement of any Shareholder whereby he has or may have temporarily or permanently passed control over the exercise of the voting right in respect of his Shares to a third party, either generally or on a case-by-case basis.

Your attention is drawn to the information set out in the appendix to this Circular.

Yours faithfully  
By Order of the Board  
**Sino Haijing Holdings Limited**  
**Fung Wah Bong Peter**  
*Chairman*

*The following is a summary of the principal terms of the Share Option Scheme but does not form part of, nor was it intended to be, part of the Share Option Scheme nor should it be taken as affecting the interpretation of the rules of the Share Option Scheme:*

**(a) Purpose of the Share Option Scheme**

The purpose of the Share Option Scheme is to provide incentive and/or reward to Eligible Participants for their contributions to, and continuing efforts to promote the interests of, the Company.

**(b) Administration of the Share Option Scheme**

The Share Option Scheme shall be subject to the administration of the Board whose decision on all matters arising in relation to the Share Option Scheme or its interpretation or effect shall (save as otherwise provided herein and in the absence of manifest error) be final and binding on all persons who may be affected thereby.

**(c) Grant and acceptance of Options**

Subject to the terms of the Share Option Scheme, the Board may, in its absolute discretion, invite any Eligible Participant to take up Options to subscribe for Shares at a price calculated in accordance with paragraph (d) below.

An offer of the grant of an Option shall be made to Eligible Participants in writing (and unless so made shall be invalid) in such form as the Board may from time to time determine and shall remain open for acceptance by the Eligible Participant concerned for a period of twenty-one (21) days inclusive of, from the date upon which it is made provided that no such offer shall be open for acceptance after the earlier of the 10th anniversary of the Adoption Date or the termination of the Share Option Scheme or the Eligible Participant to whom such offer is made has ceased to be an Eligible Participant.

A non-refundable nominal consideration of HK\$1.00 is payable by the grantee upon acceptance of an Option. An Option shall be deemed to have been accepted when the duplicate letter comprising acceptance of the Option duly signed by the Eligible Participant together with the said consideration of HK\$1.00 is received by the Company.

Any offer of the grant of an Option may be accepted in respect of less than the number of Shares in respect of which it is offered provided that it is accepted in such number of Shares as represents a board lot for the time being for the purpose of trading on the Stock Exchange or an integral multiple thereof.

**(d) Exercise of Options and Price of Shares**

An Option may be exercised in whole or in part by the grantee giving notice in writing to the Company stating that the Option is thereby exercised and the number of Shares in respect of which it is exercised. Each such notice must be accompanied by a remittance for the full amount of the subscription price for the Shares in respect of which the notice is given. Within thirty (30) days after receipt of the notice and the remittance and, where appropriate, receipt of the certificate of the Company's auditors or independent financial advisers, the Company shall allot and issue the relevant Shares to the grantee (or his legal personal representative(s)) credited as fully paid.

Holders of the Options are not entitled to voting, dividend, transfer and other rights of the holders of the Shares, including those arising on a liquidation of the Company, save as otherwise provided herein or under the relevant laws or the memorandum of association of the Company and the Articles in effect from time to time. Shares to be allotted and issued upon the exercise of an Option will be subject to all the provisions of the Articles of the Company for the time being in force and will rank *pari passu* in all respects with the existing fully paid Shares in issue on the date on which the Option is duly exercised or, if that date falls on a day when the register of members of the Company is closed, the first day of the re-opening of the register of members (the "**Exercise Date**") and accordingly will entitle the holders thereof to participate in all dividends or other distributions paid or made on or after the Exercise Date other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the Exercise Date. A Share allotted upon the exercise of an Option shall not carry voting rights until the name of the grantee has been duly entered onto the register of members of the Company as the holder thereof.

The subscription price for Shares under the Share Option Scheme may be determined by the Board at its absolute discretion but in any event will not be less than the highest of: (i) the closing price of the Shares on the Stock Exchange as shown in the daily quotations sheet of the Stock Exchange on the Offer Date, which must be a Business Day; (ii) the average of the closing prices of the Shares as shown in the daily quotations sheets of the Stock Exchange for the five (5) Business Days immediately preceding the Offer Date; and (iii) the nominal value of the Share on the Offer Date.

**(e) Maximum number of Shares available for issue**

- (i) Subject to the Listing Rules, the overall limit on the number of Shares which may be issued upon exercise of all outstanding Options granted and yet to be exercised under the Share Option Scheme and any other share option schemes of the Company must not exceed 30 per cent. of the relevant class of Shares in issue from time to time. No Options may be granted under the Share Option Scheme or any other share option schemes of the Company if this will result in this limit being exceeded.
- (ii) Subject to the limit mentioned in (e)(i) above, the total number of Shares which may be issued upon exercise of all Options to be granted under the Share Option Scheme and any other share option schemes of the Company must not, in aggregate, exceed 10% of the Shares in issue as at the date of the approval of the Share Option Scheme (the “**Scheme Mandate Limit**”), unless Shareholders’ approval has been obtained pursuant to sub-paragraphs (iii) and (iv) below. Options lapsed in accordance with the terms of the Share Option Scheme will not be counted for the purpose of calculating the Scheme Mandate Limit.
- (iii) Subject to the limit mentioned in (e)(i) above, the Company may refresh the Scheme Mandate Limit at any time subject to approval of the Shareholders in general meeting, provided that the Scheme Mandate Limit as refreshed must not exceed 10% of the Shares in issue as at the date of passing the relevant resolution. Options previously granted under the Share Option Scheme and any other share option schemes of the Company (including those outstanding, cancelled, lapsed in accordance with such schemes or exercised Options) will not be counted for the purpose of calculating the this limit. The Company must send a circular to the Shareholders containing such information as required under the Listing Rules.
- (iv) Subject to the limit mentioned in (e)(i) above, the Company may also seek separate approval of the Shareholders in general meeting for granting Options beyond the Scheme Mandate Limit provided that the Options in excess of the Scheme Mandate Limit are granted only to Eligible Participants specifically identified by the Company before such approval is sought. The Company must send a circular to the Shareholders containing a generic description of the specified Eligible Participants, the number and terms of Options to be granted, the purpose of granting Options to the specified Eligible Participants with an explanation as to how the terms of the Options serve such purpose and such other information as required under the Listing Rules.

**(f) Grant of Options to connected persons or any of their associates**

Any grant of Options to a connected person (including but not limited to a Director or substantial Shareholder) or its associates must be approved by the independent non-executive Directors (excluding any independent non-executive Director who is the grantee of the Options). Where Options are proposed to be granted to a connected person who is also a substantial Shareholder (as defined in the Listing Rules) of the Company or an independent non-executive Director or their respective associates and if such grant would result in the total number of Shares issued and to be issued upon exercise of the Options granted and to be granted (including Options exercised, cancelled and outstanding) in any 12-month period up to and including the date of grant to such person representing in aggregate over 0.1 % of the total issued Shares and having an aggregate value, based on the closing price of the securities at the date of each grant, in excess of HK\$5 million, then the proposed grant must be subject to the approval of Shareholders taken on a poll in a general meeting. All connected persons of the Company must abstain from voting at such general meeting (except where any connected person intends to vote against the proposed grant provided that his intention to do so has been stated in the Shareholders' circular to be issued as stated below).

A circular must be prepared by the Company explaining the proposed grant, disclosing, among other matters, (i) the number and terms of the Options to be granted, (ii) containing a recommendation from the independent non-executive Directors (excluding any independent non-executive Director who is a grantee) on whether or not to vote in favour of the proposed grant, (iii) containing information relating to any Directors who are trustees of the scheme or have a direct or indirect interest in the trustees and the information required under rules 17.02(2)(c) and (d) and the disclaimer required under rule 17.02(4) of the Listing Rules; and (iv) the information required under rule 2.17 of the listing Rules.

Any change in the terms of Options granted to a connected person or its associates must be approved by Shareholders in a general meeting.

**(g) Maximum entitlement of each Participant**

The total number of Shares issued and to be issued upon exercise of the options granted to each Eligible Participant or grantee (including exercised and outstanding options) in any twelve (12)-month period up to the date of grant shall not exceed 1% of the Shares in issue. Where it is proposed that any offer is to be made to an Eligible Participant (or where approximate, an existing grantee) which would result in the Shares issued and to be issued upon exercise of all options granted and to be granted to such person (including exercised, cancelled and outstanding options) in the twelve (12)-month period up to and including the relevant date of grant to exceed such limit, such offer and any acceptance thereof must be conditional upon Shareholders' approval in general meeting with such Eligible Participant (or where appropriate, an existing grantee) and his, her or its associates abstaining from voting. The Company must send a circular to the Shareholders disclosing the identity of the Eligible Participant or grantee, the number and terms of options to be granted (and options previously granted) to such Eligible Participant, the information required under the Listing Rules. The number and terms (including the subscription price) of options to be granted to such Eligible Participant must be fixed before the date on which Shareholders' approval is sought and the date of the Board meeting for proposing such further grant should be taken as the date of grant for the purpose of calculating the subscription price.

**(h) Time of exercise of Options**

Subject to the terms of the Share Option Scheme, an Option may be exercised in whole or in part at any time during the period to be determined and notified by the Directors to the grantee thereof at the time of making an Offer provided that such period shall not exceed the period of ten (10) years from the date of the grant of the particular Option but subject to the provisions for early termination of the Share Option Scheme (the "**Option Period**").

There is no specified minimum period under the Share Option Scheme for which an Option must be held or the performance target which must be achieved before an Option can be exercised under the terms of the Share Option Scheme.

**(i) Restrictions on the time of grant of Options**

Grant of Options may not be made:

- (1) after inside information (as defined in the Listing Rules) has come to the knowledge of the Company until it has been announced pursuant to the requirements of the Listing Rules; and
- (2) during the period commencing from one month immediately preceding the earlier of:
  - (a) the date of the meeting of the Board (as such date is first notified to the Stock Exchange in accordance with the Listing Rules) for approving the Company's results for any year, half-year, quarterly or any other interim period (whether or not required under the Listing Rules); and
  - (b) the deadline for the Company to publish its results for any year or half-year under the Listing Rules, or quarterly or any other interim period (whether or not required under the Listing Rules),

and ending on the date of the results announcements.

**(j) Rights are personal to grantees**

An Option shall be personal to the grantee and shall not be assignable and no grantee shall in any way sell, transfer, charge, mortgage, encumber or create any interest whatsoever in favour of any third party over or in relation to any Option or enter into any agreement so to do. Any breach of the foregoing by a grantee shall entitle the Company to cancel any Option or part thereof granted to such grantee to the extent not already exercised.

**(k) Rights on cessation of employment by dismissal**

If the grantee of an Option is an employee and ceases to be an employee on one or more of the grounds that he or she has been guilty of persistent or serious misconduct, bankruptcy, insolvency, composition with his or her creditors generally or conviction of any criminal offence (other than an offence which in the opinion of the Directors does not bring the grantee or the Company into disrepute) or any other ground(s) on which the Company would be entitled to terminate his or her employment pursuant to any applicable law, his or her Option (to the extent not already exercised) will lapse on the date of cessation of his or her employment.

**(l) Rights on death**

If the grantee of an Option ceases to be an Eligible Participant by reason of his or her death before exercising the Options in full and none of the events referred to in paragraph (k) above as ground for termination of his or her Options arises, his or her personal representative(s) may exercise the Option (to the extent not already exercised) within a period of six months following the date of death (or such longer period as the Board may determine), failing which it will lapse. If any of the events referred to in paragraph (p) to (r) below occurs during such period, his or her personal representative(s) may exercise the Option pursuant to paragraphs (p) to (r) respectively.

**(m) Rights on cessation of employment by reason of ill-health or retirement**

If the grantee of an Option is an employee and ceases to be an employee by reason of ill-health or retirement in accordance with his or her contract of employment, he or she may exercise the Option (to the extent not already exercised) within a period of six months following the date of such cessation, failing which it will lapse. The date of cessation shall be the last day on which the Grantee is actually at work with the Company whether salary is paid in lieu of notice or not. If any of the events referred to in paragraph (p) to (r) below occurs during such period, he or she may exercise the Option pursuant to paragraphs (p) to (r) respectively.

**(n) Rights on cessation for other reasons**

If the grantee of an Option ceases to be an Eligible Participant for any reason other than the reasons set out in paragraphs (l) and (m) above, his or her Option (to the extent not already exercised) will lapse on the date of cessation.

**(o) Rights on breach of contract**

If the grantee of an Option who is a business or joint venture partner, contractor, agent or representative, consultant, adviser, supplier, producer or licensor, customer, licensee (including any sub-licensee) or distributor, landlord or tenant (including sub-tenant) of the Company ceasing to be an Eligible Participant by reason of breach of contract entered into between such Eligible Participant and the Company, in the absolute determination of the Board, the Option shall lapse on the date of the Board's determination and not be exercisable.

**(p) Rights on a general offer**

In the event of a general offer being made to all Shareholders (or all such holders other than the offeror and/or person controlled by the offeror and/or any person acting in concert (as defined in the Takeovers Code) with the offeror) and such offer becomes or is declared unconditional during the Option Period of the relevant Option, the grantee (or his personal representative(s)) shall be entitled to exercise the Option in full (to the extent not already exercised) at any time within thereafter and up to the close of such offer.

**(q) Rights on winding up**

In the event a notice is given by the Company to its members to convene an extraordinary general meeting for the purpose of considering and, if thought fit, approving a resolution to voluntarily wind-up the Company, the Company shall on the same date as it despatches such notice to each member of the Company give notice thereof to all grantees and any grantee (or his or her personal representative(s)) may by notice in writing to the Company accompanied by a remittance for the full amount of the aggregate subscription price in respect of the relevant Option (such notice shall be received by the Company no later than five (5) Business Days prior to the proposed general meeting)) exercise the Option (to the extent not already exercised) either to its full extent or to the extent that he or she may specify in his or her notice and the Company shall as soon as possible and in any event no later than the Business Day immediately prior to the date of the proposed general meeting referred to above, allot and issue such number of Shares to the grantee credited as fully paid.

**(r) Rights on reconstruction, compromise or arrangement**

If a compromise or arrangement between the Company and its members or creditors is proposed for the purpose of or in connection with a scheme for the reconstruction or amalgamation of the Company, the Company shall give notice to the grantee on the same date as it despatches the notice to each member or creditor of the Company to summon a meeting to consider such a compromise or arrangement, and thereupon the grantee (or his or her personal representative(s)) may by notice in writing to the Company accompanied by a remittance of the full amount of the subscription price in respect of which the notice is given (such notice shall be received by the Company no later than five (5) Business Days prior to the proposed meeting) exercise the Option (to the extent not already exercised) either to its full extent or to the extent specified in the notice and the Company shall as soon as possible and in any event no later than the Business Day immediately prior to the date of the proposed general meeting allot and issue such number of Shares to the grantee credited as fully paid.

**(s) Cancellation of Options**

Any Option granted but not exercised may not be cancelled except with the written consent of the relevant Grantee and the prior approval of the Directors. Any cancellation of Options granted but not exercised and the issuance of new Options to the same grantee may only be made under the Share Option Scheme with available unissued Options (excluding the cancelled Options) within the Scheme Mandate Limit referred to in paragraph (e)(i) above. Options lapsed in accordance with the terms of the Share Option Scheme will not be counted for the purpose of calculating the Scheme Mandate Limit.

**(t) Effect of alterations to share capital**

In the event of any alteration in the capital structure of the Company by way of capitalisation of profits or reserved, rights issue, consolidation, subdivision or reduction of the share capital of the Company (other than an issue of Shares as consideration in respect of a transaction while any Option remains exercisable), such corresponding alterations (if any) will be made in (i) the number of Shares subject to any Option so far as such Option remains unexercised and/or (ii) the subscription price per Share as the auditors or independent financial advisers for the time being of the Company shall at the request of the Company or any grantee certify in writing to be in their opinion fair and reasonable, provided that any such alterations shall be made on the basis that the grantee shall have the same proportion of the issued share capital of the Company to which he or she was entitled before such alteration and the aggregate subscription price payable by the grantee on the full exercise of any Option shall remain as nearly as possible the same as (but not greater than) it was before such event, but so that no such alterations shall be made the effect of which would be to enable a Share to be issued at less than its nominal value. Save in the case of a capitalisation issue, the auditors or independent financial advisers for the time being of the Company must confirm to the Directors in writing that such adjustment(s) satisfy the aforesaid requirements.

**(u) Ranking of Shares**

The Shares to be allotted upon the exercise of an Option will be subject to all the provisions of the Articles for the time being in force and will rank *pari passu* in all respects with the fully paid Shares in issue on the date on which the Option is exercised and accordingly will entitle the holders of Shares to participate in all dividends or other distributions paid or made on or after the date on which the Option is exercised other than any dividends or other distributions previously declared or recommended or resolved to be paid or made with respect to a record date which shall be before the date of allotment.

**(v) Duration of the Share Option Scheme**

The Share Option Scheme shall continue in force for the period commencing from the Adoption Date, which is expected to be the date of the EGM, and expiring at the close of business on the tenth anniversary thereof, after such period no further Options will be granted but the provisions of the Share Option Scheme shall remain in full force and effect in respect of any Options granted before its expiry or termination but not yet exercised.

**(w) Alterations to the terms of the Share Option Scheme**

The Share Option Scheme may be altered in any respect by a resolution of the Board, save and except that:

- (i) the provisions relating to the matters set out in Rule 17.03 of the Listing Rules cannot be altered to the advantage of Eligible Participants without the prior approval of Shareholders in a general meeting.
- (ii) any alterations to the terms and conditions of the Share Option Scheme which are of a material nature or any change to the terms of Options granted must be approved by Shareholders, except where the alterations take effect automatically under the existing terms of the Share Option Scheme.
- (iii) the amended terms of the Share Option Scheme or the Options must still comply with the relevant requirements of Chapter 17 of the Listing Rules.
